RESPONSE to Office Action, dated August 20, 2004

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to an Office Action mailed August 20, 2004, with a three month period for response, please consider the following remarks relative to objections raised by the Examiner. The applicants would request the reconsideration and reexamination of the present application, in view of the corresponding remarks.

The present response is being submitted within the non-extended period of response, which is set to expire November 22, 2004, the first business day after November 20, 2004, which falls on a Saturday. While no fee is believed to be due in connection with the present response, if the Applicant's understanding is in error and a fee in connection with the filing and consideration of the present response is in fact due, the applicants' representative authorizes the Commissioner to charge any such fee including any fee required to cover any deficiency associated with any underpayment, or to credit any overpayment to Deposit Account No. 50-2117, of Motorola, Inc.
